#### Introduction

Moravian Institute is a social service arm of the Moravian Church in the field of education and training. Within its limited resources, the Moravian Church attempts to provide financial assistance so that no meritorious pupil is denied the opportunity to study and train at the Moravian Institute simply due to lack of finances. Moravian Institute attempts to provide additional financial aid in the form of an "Institute Grant" to deserving pupils.

**To receive the "Institute Grant", the applicants, i.e. parents / guardians of such pupils, are required to submit this Application for Financial Aid Form, complete in all respects.**

The applicants are made fully aware that Moravian Institute is a Christian minority institution and, as such, it imparts Christian religious instruction to, and conducts Christian religious prayers and worship for, all the pupils. In applying for Financial Aid, the applicants have to understand and declare that the Institute's entertaining of this Application or granting of Financial Aid is not in any way an inducement to change the creed, religion or denomination of the applicants' family or of their Child / Ward for whom this Financial Aid is requested. Therefore, the applicants are to acknowledge and declare that they have no objection whatsoever to their Child / Ward studying, participating in or accepting Moravian Institute's Christian religious instruction, prayers and worship.

- (1) The applicants (parents / guardians), must give a complete statement of family resources, which must include details of assets and liabilities, as well as income and expenditure.
- (2) The Institute will seek to verify all the information mentioned in this Form and supporting certificates or statements. If the Institute finds that the financial position of the family has been wrongly presented, the Financial Aid will be withdrawn.

- (4) If the family's financial condition changes, the applicant(s) must inform the Principal.
- (5) The total amount of Financial Aid awarded each year may change depending on how much funding the Institute has available for this purpose.
- (6) To continue to receive Financial Aid, a pupil must maintain good behaviour and moral conduct, must show satisfactory progress in academic studies, must participate adequately in co-curricular and extra-curricular activities, and must perform his / her allotted non-curricular duties diligently.
- (7) Any pupil who indulges in serious misbehaviour which results in suspension, who does not show satisfactory progress in academic studies, who does not participate adequately in co-curricular and extra-curricular activities, or who does not perform his / her allotted non-curricular duties diligently, is likely to have his / her Financial Aid reduced or withdrawn completely.
- (8) The applicants are required to submit this Form by **the last date shown above**. A late application will be considered only after all other decisions regarding Financial Aid have been made, and only if funds are still available.
- (9) The contents of this form will be kept confidential, seen only by the Institute's Financial Aid Committee and sources of funding (e.g. donors, sponsors, etc.), and will not be made available to anyone else.
